COMMITTEE ON ENVIRONMENT AND PUBLIC WORKS

WASHINGTON, DC 20510-6175

December 21, 2007

Stephen L. Johnson  
Administrator  
United States Environmental Protection Agency  
1200 Pennsylvania Avenue, NW  
Washington, DC 20460

Dear Administrator Johnson:

As you know, Californians are shocked by your decision to deny California's request for a waiver under the Clean Air Act for the state's regulation to control greenhouse gas emissions from motor vehicles. I am requesting that you appear at a field briefing at City Hall in Los Angeles on this issue on January 10, 2008 at 10:00 a.m., so you can come before the people of the State of California to explain the legal and technical basis for your decision.

Please immediately notify us to confirm your availability. If you have any questions, please contact Erik Olson ([erik\\_olson@epw.senate.gov](mailto:erik_olson@epw.senate.gov)) of the Committee's staff.

Sincerely,

Barbara Boxer  
Chairman
